PUBLISHED BY AUTHORITY

No. 81] NEW DELHI, THURSDAY, JUNE 18, 1953

MINISTRY OF COMMERCE AND INDUSTRY

PUBLIC NOTICE,

IMPORT TRADE CONTROL

New Delhi, the 18th June 1953

SUBJECT.—*Issue of advance licences for Cauliflower Seeds falling under Serial No. 36 of Part IV of the Import Trade Control Schedule.*

No. 92-ITC(P.N.)/53.—Having regard to the fact that the sowing season for Cauliflower Seeds occurs at the commencement of the ensuing licensing period, it has been decided that advance licences in respect of the July-December 1953 period for the import of Cauliflower Seeds may be issued immediately so that the imports may be made use of at the next sowing season.

2. In order that time is not wasted in making formal application, it has been decided that January-June 1953 licences should be doubled in value so as to cover the whole year's entitlement and requirement. In the case of licences already issued, the licence-holders should present the licences at the office of the Import Trade Controllers at Calcutta, Bombay or Madras. The licences would be endorsed as valid for double the face-value and will be handed back to the persons who present them or returned expeditiously by post. No fresh treasury receipt will be necessary.

3. In the case of applications already made where licences have not yet been issued, the applicants should await the issue of licences and should then proceed as in paragraph 2 above.

4. The licences so doubled will be valid only for six months from the date of the original issue of the licence. This provision has been made so that the quantity licensed for import may be imported for use during the next sowing season.

K. B. LALL, Joint, Secy.
